

Quantum critical behavior in driven and strongly interacting Rydberg gases

Friday, 25 June 2010 11:15 (0:45)

Content

Summary

Primary author(s) : HANS PETER BUECHLER (Institut für Theoretische Physik, Stuttgart, Germany)

Presenter(s) : HANS PETER BUECHLER (Institut für Theoretische Physik, Stuttgart, Germany)

Session Classification : Quantum critical behavior in driven and strongly interacting Rydberg gases
