

Time-reversal symmetry and temporal coherent back-scattering in a driven two-level system

Monday, 21 June 2010 14:45 (0:45)

Content

Summary

Primary author(s) : LEONID LEVITOV (MIT, Cambridge, USA)

Presenter(s) : LEONID LEVITOV (MIT, Cambridge, USA)

Session Classification : Time-reversal symmetry and temporal coherent back-scattering in a driven two-level system
