

## **Superconducting properties of pnictides within a low-energy multiband approach**

*Wednesday, 4 August 2010 10:00 (1:00)*

### **Content**

### **Summary**

**Primary author(s) :** L. BENFATTO (CNR-ISC and University of Rome La Sapienza, Italy)

**Presenter(s) :** L. BENFATTO (CNR-ISC and University of Rome La Sapienza, Italy)

**Session Classification :** Superconducting properties of pnictides within a low-energy multiband approach
