# Defects, density of states, and differential conductance in heavy fermion systems

*Thursday, 5 August 2010 11:30 (1:00)*

## Content

## Summary

**Primary author(s) :** D. MORR (University of Illinois at Chicago, U.S.A.)

**Presenter(s) :** D. MORR (University of Illinois at Chicago, U.S.A.)

**Session Classification :** Defects, density of states, and differential conductance in heavy fermion systems
