

Raman spectroscopy of multiband superconductors with competing order parameters

Friday, 6 August 2010 11:30 (1:00)

Content

Summary

Primary author(s) : G. BLUMBERG (Rutgers, The State Univ. of New Jersey, Piscataway, U.S.A.)

Presenter(s) : G. BLUMBERG (Rutgers, The State Univ. of New Jersey, Piscataway, U.S.A.)

Session Classification : Raman spectroscopy of multiband superconductors with competing order parameters
