Workshop on Principles and Design of Strongly Correlated Electronic Systems | (smr 2157)

Contribution ID : 33 Type : not specified

Correlation between spin fluctuations and pairing in electron-doped cuprates

Wednesday, 11 August 2010 09:00 (1:00)

Content

Summary

Primary author(s): R. GREENE (University of Maryland, College Park, U.S.A.)

Presenter(s): R. GREENE (University of Maryland, College Park, U.S.A.)

Session Classification : Correlation between spin fluctuations and pairing in electron-doped cuprates
