

Landau-level spectroscopy of helical Dirac fermions in a topological insulator Bi₂Se₃

Friday, 13 August 2010 10:00 (1:00)

Content

Summary

Primary author(s) : T. HANAGURI (RIKEN Advanced Science Institute, Saitama, Japan)

Presenter(s) : T. HANAGURI (RIKEN Advanced Science Institute, Saitama, Japan)

Session Classification : Landau-level spectroscopy of helical Dirac fermions in a topological insulator Bi₂Se₃
