

Workshop on Nano-Opto-Electro-Mechanical Systems Approaching the
Quantum Regime | (smr 2164)

Contribution ID : 14

Type : **not specified**

Quantum signatures of the dynamics of a vibrational mode of a thin membrane within an optical cavity

Tuesday, 7 September 2010 09:40 (0:40)

Content

Summary

Primary author(s) : DAVID VITALI (University of Camerino, Italy)

Presenter(s) : DAVID VITALI (University of Camerino, Italy)

Session Classification : Quantum signatures of the dynamics of a vibrational mode of a thin membrane within an optical cavity
