

Workshop on Nano-Opto-Electro-Mechanical Systems Approaching the  
Quantum Regime | (smr 2164)

Contribution ID : 25

Type : **not specified**

## Towards macroscopic quantum superpositions

*Wednesday, 8 September 2010 09:40 (0:40)*

### Content

### Summary

**Primary author(s)** : DIRK BOUWMEESTER (University of California at Santa Barbara, U.S.A.)

**Presenter(s)** : DIRK BOUWMEESTER (University of California at Santa Barbara, U.S.A.)

**Session Classification** : Towards macroscopic quantum superpositions
