

Workshop on Nano-Opto-Electro-Mechanical Systems Approaching the
Quantum Regime | (smr 2164)

Contribution ID : 43

Type : **not specified**

Nanoelectromechanics of superconducting weak links

Friday, 10 September 2010 10:40 (0:40)

Content

Summary

Primary author(s) : ROBERT SHEKHTER (University of Gothenburg, Sweden)

Presenter(s) : ROBERT SHEKHTER (University of Gothenburg, Sweden)

Session Classification : Nanoelectromechanics of superconducting weak links
