

Structural and Computational Studies of a Bacterial Pentameric Ligand-gated Ion Channel

Thursday, 14 October 2010 15:20 (0:50)

Content

Summary

Primary author(s) : M. DELARUE (Institut Pasteur, Structural Biology & Chemistry, Paris, France)

Presenter(s) : M. DELARUE (Institut Pasteur, Structural Biology & Chemistry, Paris, France)

Session Classification : Structural and Computational Studies of a Bacterial Pentameric Ligand-gated Ion Channel
