

Huntingtin: Stability and Interaction with Molecular Partners from Computational Biophysics Studies

Friday, 15 October 2010 16:40 (0:20)

Content

Summary

Primary author(s) : G. ROSSETTI (SISSA, Statistical & Biological Physics Sector, Trieste, Italy)

Presenter(s) : G. ROSSETTI (SISSA, Statistical & Biological Physics Sector, Trieste, Italy)

Session Classification : Huntingtin: Stability and Interaction with Molecular Partners from Computational Biophysics Studies
