

**Advanced Workshop on Anderson Localization, Nonlinearity and Turbulence:
a Cross-Fertilization | (smr 2162)**

Contribution ID : **11**

Type : **not specified**

Ultracold atoms in disordered optical lattices: Anderson localization and beyond

Wednesday, 25 August 2010 09:00 (0:45)

Content

Summary

Primary author(s) : M. INGUSCIO (LENS and Dipt. Di Fisica, Univ. di Firenze, Italy)

Presenter(s) : M. INGUSCIO (LENS and Dipt. Di Fisica, Univ. di Firenze, Italy)

Session Classification : Ultracold atoms in disordered optical lattices: Anderson localization and beyond
