# Advanced Workshop on Anderson Localization, Nonlinearity and Turbulence: a Cross-Fertilization | (smr 2162)

## Wednesday 25 August 2010

**Ultracold atoms in disordered optical lattices: Anderson localization and beyond - Adriatico**  
**Guest House Kastler Lecture Hall (09:00-09:45)**

time	title	presenter
09:00	Ultracold atoms in disordered optical lattices: Anderson localization and beyond	M. INGUSCIO
