

**Advanced Workshop on Anderson Localization, Nonlinearity and Turbulence:
a Cross-Fertilization | (smr 2162)**

Contribution ID : **5**

Type : **not specified**

Co-localization of indistinguishable photons in disordered waveguide arrays

Tuesday, 24 August 2010 09:00 (0:45)

Content

Summary

Primary author(s) : Y. SILBERBERG (The Weizmann Institute of Science, Complex Systems, Rehovot, Israel)

Presenter(s) : Y. SILBERBERG (The Weizmann Institute of Science, Complex Systems, Rehovot, Israel)

Session Classification : Co-localization of indistinguishable photons in disordered waveguide arrays
