

# Theoretical and Numerical Physics Based Models with Focus on the Issue of Modelling Fundamental Processes Crossing Multiple Scales (Kinetic to MHD)

*Tuesday, 19 October 2010 09:00 (4:00)*

## Content

## Summary

**Primary author(s) :** GIOVANNI LAPENTA (Centre for Plasma Astrophysics, KU Leuven, Belgium)

**Presenter(s) :** GIOVANNI LAPENTA (Centre for Plasma Astrophysics, KU Leuven, Belgium)

**Session Classification :** Theoretical and Numerical Physics Based Models with Focus on the Issue of Modelling Fundamental Processes Crossing Multiple Scales (Kinetic to MHD)
