

# **Kinematical transformations, conversion between direct and inverse reactions, identification of peaks in NRA spectra, calculations of resonance energies**

*Friday, 12 November 2010 14:00 (1:30)*

## **Content**

## **Summary**

**Primary author(s) :** ALEXANDER GURBICH / MICHAEL KOKKORIS (IPPE, Obninsk, Russia / National Technical University of Athens, Greece)

**Presenter(s) :** ALEXANDER GURBICH / MICHAEL KOKKORIS (IPPE, Obninsk, Russia / National Technical University of Athens, Greece)

**Session Classification :** Kinematical transformations, conversion between direct and inverse reactions, identification of peaks in NRA spectra, calculations of resonance energies
