

Quantum dynamics on Grid and D5 formats

Hands on training school on molecular and material
science Grid applications

S Rampino

Dipartimento di Chimica
Università degli Studi di Perugia (IT)

I.

A priori modeling of chemical reactions on a Grid based virtual laboratory

S Rampino, A Monari, S Evangelisti, E Rossi, K Ruud, A Laganà

II.

Accurate quantum dynamics on Grid platforms: long range interactions and reactivity of $N + N_2$

S Rampino, F Pirani, A Laganà, E Garcia
