# 15th International Workshop on Computational Physics and Materials Science: Total Energy and Force Methods | (smr 2220)

## Friday 14 January 2011

**Mott Transition in MnO and Valence Transition in Yb under Pressure: Critical Overview of an All-Electron LDA+DMFT Implementation - Leonardo da Vinci Building Main Lecture Hall  
(09:00-09:30)**

| time  | title                                                                                                                            | presenter      |
|-------|----------------------------------------------------------------------------------------------------------------------------------|----------------|
| 09:00 | Mott Transition in MnO and Valence Transition in Yb under Pressure: Critical Overview of an All-Electron LDA+DMFT Implementation | WARREN PICKETT |
