

Total energies from diagrammatic techniques: RPA, MP2 and coupled cluster

Friday, 14 January 2011 14:00 (0:30)

Content

Summary

Primary author(s) : GEORG KRESSE (Centre for Computational Materials Physics, Vienna, Austria)

Presenter(s) : GEORG KRESSE (Centre for Computational Materials Physics, Vienna, Austria)

Session Classification : Total energies from diagrammatic techniques: RPA, MP2 and coupled cluster
