

Berthe-Salpeter equation without empty electronic states applied to charge-transfer excitations

Saturday, 15 January 2011 10:00 (0:20)

Content

Summary

Primary author(s) : DARIO ROCCA (University of California, Davis, USA)

Presenter(s) : DARIO ROCCA (University of California, Davis, USA)

Session Classification : Berthe-Salpeter equation without empty electronic states applied to charge-transfer excitations
