

# **Non-Markovian dynamics in open quantum systems. (1) The Lindblad theory for open quantum systems and its extension**

*Tuesday, 15 February 2011 10:30 (1:00)*

## **Content**

## **Summary**

**Primary author(s) :** BASSANO VACCHINI (Univ. di Milano, Fisica, Milano, Italy)

**Presenter(s) :** BASSANO VACCHINI (Univ. di Milano, Fisica, Milano, Italy)

**Session Classification :** Non-Markovian dynamics in open quantum systems. (1) The Lindblad theory for open quantum systems and its extension
