

Coherent energy and charge transport in molecular systems. (2) Non-Markovian system-environment interactions

Tuesday, 15 February 2011 11:30 (1:00)

Content

Summary

Primary author(s) : IRENE BURGHARDT (ENS, CNRS, Dept. de Chimie, Paris, France)

Presenter(s) : IRENE BURGHARDT (ENS, CNRS, Dept. de Chimie, Paris, France)

Session Classification : Coherent energy and charge transport in molecular systems. (2) Non-Markovian system-environment interactions
