# Advanced School on Scaling Laws in Geophysics: Mechanical and Thermal Processes in Geodynamics | (smr 2240)

**Friday 27 May 2011**

**Turbulence, planform of convection, boundary layer and plumes at high Rayleigh number -**  
**Adriatico Guest House Kastler Lecture Hall (09:00-10:00)**

time	title	presenter
09:00	Turbulence, planform of convection, boundary layer and plumes at high Rayleigh number	J. NIEMALA
