Advanced School on Scaling Laws in Geophysics: Mechanical and Thermal Processes in Geodynamics | (smr 2240)

Thursday 02 June 2011

Temperature-dependent viscosity.

Scaling for velocity and heat flux.

- Adriatico Guest House Kastler Lecture Hall (09:00-10:00)

time	title	presenter
09:00	Temperature-dependent viscosity. Scaling for velocity and heat flux.	C. JAUPART
