

# Stokes equation, equation of continuity, and constitutive laws (both Newtonian, and non-Newtonian with underlying physics).

*Monday, 23 May 2011 14:30 (1:30)*

## Content

## Summary

**Primary author(s) :** M. MANGA (Univ. of California, Berkeley, USA)

**Presenter(s) :** M. MANGA (Univ. of California, Berkeley, USA)

**Session Classification :** Stokes equation, equation of continuity, and constitutive laws (both Newtonian, and non-Newtonian with underlying physics).
