

# Optical Spin and Orbital Angular Momentum and a Higher Order Poincare Sphere: Implications and Applications (short presentation)

*Wednesday, 1 June 2011 16:00 (0:20)*

## Content

## Summary

**Primary author(s) :** GIOVANNI MILIONE (City Univ. of New York)

**Presenter(s) :** GIOVANNI MILIONE (City Univ. of New York)

**Session Classification :** Optical Spin and Orbital Angular Momentum and a Higher Order Poincare Sphere: Implications and Applications (short presentation)
