# Workshop on Frontiers in Ultracold Fermi Gases | (smr 2243)

## Thursday 09 June 2011

**Compressibility and spin susceptibility in the evolution from BCS to BEC superfluids -**  
**Adriatico Guest House Kastler Lecture Hall (10:05-10:45)**

time	title	presenter
10:05	Compressibility and spin susceptibility in the evolution from BCS to BEC superfluids	C.A.R. SA DE MELO
