

## **Cosmic rays in the $10^{16}$ - $10^{18}$ eV energy range studied with the KASCADE-Grande experiment**

*Monday, 20 June 2011 17:15 (0:30)*

### **Content**

### **Summary**

**Primary author(s) :** ANDREA CHIAVASSA (University of Torino)

**Presenter(s) :** ANDREA CHIAVASSA (University of Torino)

**Session Classification :** Cosmic rays in the  $10^{16}$ - $10^{18}$  eV energy range studied with the KASCADE-Grande experiment
