

## **Kolmogorov's normal form for equations of motion with some peculiar dissipative effects**

*Tuesday, 5 July 2011 09:00 (0:45)*

### **Content**

### **Summary**

**Primary author(s)** : UGO LOCATELLI (Università degli Studi di Roma "Tor Vergata", Roma, Italy)

**Presenter(s)** : UGO LOCATELLI (Università degli Studi di Roma "Tor Vergata", Roma, Italy)

**Session Classification** : Kolmogorov's normal form for equations of motion with some peculiar dissipative effects
