

## **Attraction domain of a nonlinear system using interval analysis and Lyapunov Theory**

*Wednesday, 6 July 2011 14:45 (0:45)*

### **Content**

### **Summary**

**Primary author(s) :** NICOLAS DELANOUE (Université d'Angers, Angers, France)

**Presenter(s) :** NICOLAS DELANOUE (Université d'Angers, Angers, France)

**Session Classification :** Attraction domain of a nonlinear system using interval analysis and Lyapunov Theory
