

## **Weyl semi-metal and Fermi Arc surface states in correlated spin orbit systems**

*Wednesday, 29 June 2011 10:10 (1:00)*

### **Content**

### **Summary**

**Primary author(s)** : ASHVIN VISHWANATH (Dept. of Physics, Univ. of California, Berkeley, U.S.A.)

**Presenter(s)** : ASHVIN VISHWANATH (Dept. of Physics, Univ. of California, Berkeley, U.S.A.)

**Session Classification** : Weyl semi-metal and Fermi Arc surface states in correlated spin orbit systems
