

## Geometric phase effects on charge and spin transport

*Monday, 4 July 2011 14:30 (1:00)*

### Content

### Summary

**Primary author(s)** : QIAN NIU (Dept. of Physics, Univ. of Texas at Austin, U.S.A. and ICQM Peking Univ. Beijing, People's Republic)

**Presenter(s)** : QIAN NIU (Dept. of Physics, Univ. of Texas at Austin, U.S.A. and ICQM Peking Univ. Beijing, People's Republic)

**Session Classification** : Geometric phase effects on charge and spin transport
