

Topological phases in correlated systems with strong spin-orbit coupling

Friday, 8 July 2011 10:10 (1:00)

Content

Summary

Primary author(s) : YONG BAEK KIM (Dept. of Physics, Univ. of Toronto, Canada)

Presenter(s) : YONG BAEK KIM (Dept. of Physics, Univ. of Toronto, Canada)

Session Classification : Topological phases in correlated systems with strong spin-orbit coupling
