

Topological insulators: Magnetotransport and magnetoelectric effects in solids

Monday, 11 July 2011 11:00 (1:00)

Content

Summary

Primary author(s) : JOEL MOORE (Department of Physics, University of California, Berkeley, USA)

Presenter(s) : JOEL MOORE (Department of Physics, University of California, Berkeley, USA)

Session Classification : Topological insulators: Magnetotransport and magnetoelectric effects in solids
