

# Cubic Interactions and Quantum Criticality in Dimerized Antiferromagnets

*Tuesday, 26 July 2011 11:40 (0:50)*

## Content

## Summary

**Primary author(s)** : S. WESSEL (RWTH Aachen University, Germany)

**Presenter(s)** : S. WESSEL (RWTH Aachen University, Germany)

**Session Classification** : Cubic Interactions and Quantum Criticality in Dimerized Antiferromagnets
