

# Quantum criticality and confinement effects in the Ising spin chain CoNb2O6

*Wednesday, 27 July 2011 10:50 (0:50)*

## Content

## Summary

**Primary author(s) :** R. COLDEA (University of Oxford, U.K.)

**Presenter(s) :** R. COLDEA (University of Oxford, U.K.)

**Session Classification :** Quantum criticality and confinement effects in the Ising spin chain CoNb2O6
