

# Entanglement spectrum and boundary theories with projected entangled-pair states

*Wednesday, 27 July 2011 11:40 (0:50)*

## Content

## Summary

**Primary author(s)** : D. POILBLANC (Universite Paul Sabatier, France)

**Presenter(s)** : D. POILBLANC (Universite Paul Sabatier, France)

**Session Classification** : Entanglement spectrum and boundary theories with projected entangled-pair states
