

"2nd Conference on Systems Biology and New Sequencing Techniques" (2-4 November), preceded by Introductory Lectures on "Quantitative Approaches to Biological Problems" (31 October - 1 November) | (smr 2255)

Contribution ID : 12

Type : **not specified**

Statistical physics approach to the prediction of native contacts in proteins from sequence variability

Wednesday, 2 November 2011 11:30 (0:45)

Content

Summary

Primary author(s) : R. ZECCHINA (Politecnico di Torino, Italy)

Presenter(s) : R. ZECCHINA (Politecnico di Torino, Italy)

Session Classification : Statistical physics approach to the prediction of native contacts in proteins from sequence variability
