

Studies on micro and nanotribological behaviour of Ti alloys and the polymer (UHMWPE)

Tuesday, 13 September 2011 14:40 (0:20)

Content

Summary

Primary author(s) : GEETHA MANIVASAGAM (Center for Nanocomposites and Center for Biomedical Implants, School of Mechanical and Building Scie)

Presenter(s) : GEETHA MANIVASAGAM (Center for Nanocomposites and Center for Biomedical Implants, School of Mechanical and Building Scie)

Session Classification : Studies on micro and nanotribological behaviour of Ti alloys and the polymer (UHMWPE)
