

Theoretical modeling of the influence of swift heavy ion irradiation on materials: thermal spike vs. Coulomb explosion

Wednesday, 16 November 2011 14:00 (1:00)

Content

Summary

Primary author(s) : A. RYAZANOV (Kurchatov Institute, Moscow, Russia)

Presenter(s) : A. RYAZANOV (Kurchatov Institute, Moscow, Russia)

Session Classification : Theoretical modeling of the influence of swift heavy ion irradiation on materials: thermal spike vs. Coulomb explosion
