

Joint ICTP-IAEA Workshop on Non-adiabatic Dynamics and Radiation
Damage in Nuclear Materials | (smr 2260)

Contribution ID : 1

Type : **not specified**

Experimental quantification of radiation damage in ceramics

Monday, 14 November 2011 11:30 (1:00)

Content

Summary

Primary author(s) : I. FARNAN (Univ. Cambridge, UK)

Presenter(s) : I. FARNAN (Univ. Cambridge, UK)

Session Classification : Experimental quantification of radiation damage in ceramics
