

Joint ICTP-IAEA Workshop on Non-adiabatic Dynamics and Radiation
Damage in Nuclear Materials | (smr 2260)

Contribution ID : 31

Type : **not specified**

**Beyond the displacement cascade: Nanostructural
evolution in metals under irradiation and correlation
with mechanical properties**

Friday, 18 November 2011 12:30 (0:30)

Content

Summary

Primary author(s) : L. MALERBA (SKC.CEN, Belgium)

Presenter(s) : L. MALERBA (SKC.CEN, Belgium)

Session Classification : Beyond the displacement cascade: Nanostructural evolution in metals under irradiation and correlation with mechanical properties
