

## **Block Structure Modeling: Study of Connection between Geodynamics and Seismicity**

*Wednesday, 5 October 2011 11:10 (0:50)*

### **Content**

### **Summary**

**Primary author(s) :** DR. I. VOROBIEVA (International Institute of Earthquake Prediction Theory and Mathematical Geophysics, Russian Academy)

**Presenter(s) :** DR. I. VOROBIEVA (International Institute of Earthquake Prediction Theory and Mathematical Geophysics, Russian Academy)

**Session Classification :** Block Structure Modeling: Study of Connection between Geodynamics and Seismicity
