

# Photo-Excitation Induced Luminescence and Nonlinear Light Scattering from Metallic Nanoparticles and Biological Cells

*Monday, 10 October 2011 14:30 (0:50)*

## Content

## Summary

**Primary author(s) :** HAI-LUNG DAI (Temple University, Philadelphia, U.S.A.)

**Presenter(s) :** HAI-LUNG DAI (Temple University, Philadelphia, U.S.A.)

**Session Classification :** Photo-Excitation Induced Luminescence and Nonlinear Light Scattering from Metallic Nanoparticles and Biological Cells
