

Design, Synthesis and Characterization of Protease Sensitive Polymeric Vesicles

Thursday, 13 October 2011 17:50 (0:20)

Content

Summary

Primary author(s) : WAI KIT YEUNG (The Hong Kong University of Science & Technology, Hong Kong)

Presenter(s) : WAI KIT YEUNG (The Hong Kong University of Science & Technology, Hong Kong)

Session Classification : Design, Synthesis and Characterization of Protease Sensitive Polymeric Vesicles
