

Synthesis and Characterization of Nanoparticles using Biological Processes Under Normal Ans Altered Gravity Conditions.

Thursday, 13 October 2011 18:10 (0:20)

Content

Summary

Primary author(s) : PANDIT VIDYASAGAR (University of Pune, India)

Presenter(s) : PANDIT VIDYASAGAR (University of Pune, India)

Session Classification : Synthesis and Characterization of Nanoparticles using Biological Processes Under Normal Ans Altered Gravity Conditions.
