

Conducting polymer based photoelectrochemical solar energy conversion

Friday, 21 October 2011 11:00 (1:00)

Content

Summary

Primary author(s) : TEKETEL YOHANNES ANSHEBO (Dept. of Chemistry, Addis Ababa University, Ethiopia)

Presenter(s) : TEKETEL YOHANNES ANSHEBO (Dept. of Chemistry, Addis Ababa University, Ethiopia)

Session Classification : Conducting polymer based photoelectrochemical solar energy conversion
