

## **Spectroscopy of cold atom gases in periodically modulated optical lattice potentials**

*Thursday, 13 January 2011 11:25 (0:25)*

### **Content**

### **Summary**

**Primary author(s)** : AKIYUKI TOKUNO (University of Geneva, Switzerland)

**Presenter(s)** : AKIYUKI TOKUNO (University of Geneva, Switzerland)

**Session Classification** : Spectroscopy of cold atom gases in periodically modulated optical lattice potentials
