# Conference on Research Frontiers in Ultra-Cold Atomic and Molecular Gases | (smr 2274)

## Thursday 13 January 2011

### Ion induced physics in a cold dilute gas of atoms (15:30-16:15)

| time  | title                                             | presenter      |
|-------|---------------------------------------------------|----------------|
| 15:30 | Ion induced physics in a cold dilute gas of atoms | SADIQ RANGWALA |
